

Join Our Caring Team as an RVN at Woodbridge Vets

Are you a passionate and skilled Registered Veterinary Nurse (RVN) looking to be an integral part of a dedicated veterinary practice? At Woodbridge Vets, we take pride in our exceptional animal care and are seeking an experienced RVN to join our close-knit team. As an RVN, you will be at the heart of our patient care efforts, collaborating with colleagues and contributing to the wellbeing of the animals we serve.

Responsibilities:

Team Collaboration and Patient Care:

- Work closely with fellow RVNs, veterinary surgeons, and support staff to provide high-quality care to our animal patients.
- Assist in surgeries, treatments, and examinations, ensuring the comfort and wellbeing of animals under your care.
- Participate in rounds and case discussions to share insights and collectively enhance patient care strategies.

Clinical Excellence:

- Uphold clinical standards and adhere to best practices, ensuring the safety and comfort of patients during procedures.
- Implement infection control measures and contribute to maintaining a clean and safe environment.
- Contribute ideas and suggestions to improve patient outcomes and overall clinical efficiency.

Nurturing Relationships:

- Develop strong bonds with clients and their pets, offering guidance and support on healthcare, medication administration, and post-treatment care.
- Act as a friendly and approachable resource for clients, addressing their concerns and providing reassurance.

Supportive Role:

- Collaborate with the veterinary team in treatment planning and follow-up care, providing valuable insights based on your nursing expertise.
- Assist in the administration of medications and treatments, ensuring accurate dosages and proper patient monitoring.
- Aid in maintaining comprehensive medical records and patient histories.

Continuous Learning:

- Stay updated with the latest advancements in veterinary nursing, attending workshops, training sessions, and staying informed about new techniques.

Requirements:

- Possess a Registered Veterinary Nurse qualification and hold current registration

with the Royal College of Veterinary Surgeons (RCVS).

- Demonstrate a genuine passion for animal care and a desire to contribute to their wellbeing.
- Exhibit strong communication skills to effectively liaise with colleagues and clients.
- Showcase clinical proficiency and hands-on experience in a variety of veterinary procedures.
- Display empathy and compassion towards both animals and their owners.
- Embrace a collaborative and team-oriented approach to patient care.

Application Process:

If you are excited about joining a team that places a strong emphasis on animal care and teamwork, we encourage you to apply:

Prepare your application:

- Craft a cover letter that reflects your dedication to animal care, your nursing experience, and your motivation for joining our practice.
- Update your resume/CV to include relevant qualifications and work history.

Submit your application:

- Email your cover letter and resume to kyle@thewoodbridgevets.com
- Mention "RVN Application" in the subject line.

Assessment and Interview:

- Shortlisted candidates will be contacted for an initial assessment and interview, where we'll discuss your experience, approach to patient care, and compatibility with our team.

Feel free to reach out with any inquiries about the position or application process at kyle@thewoodbridgevets.com. We eagerly await the opportunity to learn more about you and your passion for animal care.

Warm regards,

Dr Kyle Eadie
